

PAUL SENURA RESHAN ANJALO

ABOUT

As a dedicated software engineering student, I am eager to transition into the field of data science during my upcoming years at university. Continuously seeking out opportunities to expand my knowledge and skills, I thrive in collaborative team environments.

PERSONAL INFORMATION

- Date of birth : 2001-08-07
- Gender : male
- NIC : 200122002160
- Civil status : single

LANGUAGE

- English (Proficient)
- Sinhala (native)
- Japanese (Intermediate (N4))

EDUCATION

School

2006 - 2017

During my tenure at St. Sebastian's College from 2006 to 2017 until completion of my O/L examinations, I held several leadership positions, demonstrating adept management of diverse teams and initiatives.

graphic design

2017-2019

From 2017 to 2019, I pursued studies in graphic design.

Private Education

2021-2022

Self-studied and successfully completed Advanced Level examinations from home.

NIBM

2023-present

I am a current undergraduate student at the National Institute of Business Management (NIBM), pursuing a degree in Software Engineering. I am keen on transitioning into the field of Data Science to further develop my skills and expertise in this domain.

EXPERIENCE

Accountant

2019-2024

During the period spanning 2019 to 2024, I held the position of Personal Accountant at a privately owned business. This role provided me with invaluable experience in effectively managing personnel, financial resources, and strategic planning. I developed adeptness in working under pressure while maintaining a high standard of customer service.
